The Barn

HISTORY

The impressive Grade I listed Wool Barn, privately owned, is set within the working farmyard of Frampton Manor. The Wool Barn has been dated to around 1550 and is one of the most splendid timber-framed buildings of its type and date in the country and has been the feature of the farmyard at Manor Farm for centuries.

CHARACTER

The 16th Century Wool Barn has a fabulously photogenic rustic interior with an intimate atmosphere ideally suited to romantic and relaxed events.

Location

THE MANOR AND WALLED GARDENS

In addition to The Wool Barn our wedding parties also benefit from the use of the Walled Garden at The Manor. The sumptuous seasonal flowers and herbaceous borders make a splendid backdrop for memorable photographs or even for holding your wedding ceremony.

OUTDOOR CEREMONIES

The Wool Barn at Frampton on Severn is available between the months of May and September and for celebrations only on Saturdays. We are not licensed for Civil ceremonies but many couples create their own and make it legal elsewhere.
