The Barn

HISTORY

The impressive Grade I listed Wool Barn, privately owned, is set within the working farmyard of Frampton Manor. The Wool Barn has been dated to around 1550 and is one of the most splendid timber-framed buildings of its type in the country and has been the feature of the farmyard at Manor Farm for centuries.

CHARACTER

The 16th Century Wool Barn has a fabulously photogenic rustic interior with an intimate atmosphere ideally suited to romantic and relaxed events.
